### A Prayer for all Mothers

Loving God, we thank you for all mothers – for all they mean or have meant, for the love they have shown and the care they have given. We thank you for the qualities of mothers – patience, kindness, concern and understanding. We thank you for the part they play in our lives, and we thank you for the opportunity to say what we so often mean to say but so rarely do. For mothers and motherhood, for children and families we bring you this day our grateful praise. Amen.
