If you need a ride or can give a ride, please sign-up today with Alice Welchert. Here's her advice:

Proper 15: 13th Sunday after Pentecost—Year C

Welcome to our parish. In today's liturgy, we are confronted with some of Jesus' hardest words. As he traveled toward Jerusalem, certain of the great crisis that lay ahead, Jesus set forth the serious nature of discipleship. He referred to his approaching death as his "baptism." He revealed that faithfulness to God would produce opposition and division.

God's message to an unfaithful people through the prophet Jeremiah is that his word comes as hard truth. It will lay bare lies and deceit. It demands that those who speak for God speak truth, even though the message may be hard to bear.

In the second reading today, we are assured that regardless of the opposition and division which faithfulness to God may bring, we have hope. That hope is based first on the record of God's faithful people in the past, but is based above all on the record of Jesus. The "cloud of witnesses" of the past is now joined and led by Jesus "the pioneer and perfecter of our faith."

As we gather in Eucharist, we are indeed surrounded by the witness of those in ages past whose faith in God led them to hard and tough decisions. In Christ and with each other the joys and the hard disciplines of faith are united. We recall Christ's death and resurrection and our own incorporation into his dying and rising, which began in us in baptism.

News From The Shire at Canterbury

Greetings SLO Deanery,

We're busy planning and excited to be getting ready for our 10th year of campus ministry here in SLO, serving the campuses of Cal Poly & Cuesta College.

The big news is that SLO Canterbury was just selected by the Episcopal Church's Office for Young Adult & Campus Ministry to receive a \$5,000 grant to enhance our work with SLO Solidarity. The grant will also enable us to hire an intern to increase our social-media presence. We are grateful for this opportunity and looking forward expectantly to greeting the new and incoming students this fall.

We will also be reaching out to the SLO Deanery over the coming weeks and months to request your continued support. We are currently looking for board members (one each) from St. Benedict's, St. James, St. Paul's, and St. Peter's, so if you are reading this would like to contribute to our ministry in this way, please reach out and let us know.

Most of all we are grateful for all the support we have received that has enabled us to reach the ten-year mark. It's quite an achievement, and I'm proud, and of course thankful, to have had the opportunity to serve the college students and young adults of our local communities and colleges. Here's to the next ten years!

Peace,
Berkeley
