Mutual Ministry Review

Every year we take some time to ask ourselves how well we're worshiping and serving God. You can help us by answering these questions, either on this sheet or by going to <https://www.surveymonkey.com/r/57CX9TF>

How has God blessed you through St. Benedict's this year? What has been a highlight for you? What especially pleases you about the church?

What could we have done better/differently? What disappointments or irritations have you had?

When you imagine St. Benedict's in five years' time how do you think/hope it will be different from now?

What would you like the Parish Council to prioritize?

Is there anything you would like to tell the clergy team?

Anything else you'd like to say?
