

St. Benedict's Church is an inclusive Christian community that celebrates the divine in all beings, and inspires spiritual growth through joyful sacramental worship, loving service, creative expression, thoughtful inquiry and commitment to social justice.

# **Reign of Christ Sunday**

Also known as Christ the King Sunday, today's observation celebrates Christ's messianic kingship and sovereign rule over all creation. In celebrating the Reign of Christ, this Sunday also provides an appropriate bridge to the new Church Year that begins next week on the first Sunday of Advent with an emphasis on hope and expectation, the longing for the coming of the joyous *Kin-dom* of God.

This week at St. Benedict's

Matthew Fox holds a doctorate in spirituality from the Institut Catholique de Paris and has authored 32 books on spirituality and contemporary culture that have been translated into 60 languages. Fox has devoted 45 years to developing and teaching the tradition of Creation Spirituality and in doing so has reinvented forms of education and worship.

His work is inclusive of today's science and world spiritual traditions and has awakened millions to the much-neglected earth-based mystical tradition of the West. He has helped to rediscover Hildegard of Bingen, Meister Eckhart, and Thomas Aquinas. Among his books are *Original Blessing, The Coming of the Cosmic Christ, The Reinvention of Work, A Spirituality Named Compassion* and *Meister Eckhart: A Mystic-Warrior for Our Times.* 

Sign up for Peoples' Kitchen this Saturday - Dec 2nd is our turn to serve lunch to the clients at Prado Day Center. Food and servers needed. Suzan & Pat coordinating.

This Thursday morning class, based on Matthew Fox's book The Coming of the Cosmic Christ, is being led alternately by Caro+ and Barry+.

This week we are examining "Cosmic Christ in Tradition." The Cosmic Christ is not a new idea in Christian thinking, rather one that has been eclipsed by modern thought. In this class we'll explore some of the theology that points to the Cosmic Christ and the importance of its rediscovery today
